The PFPC and Department of Chemical and Biomolecular Engineering invites you to a

Special Seminar

12:00 PM THURSDAY 18TH APRIL 2013

Brown Theatre Ground Floor, Electrical and Electronic Engineering (Building 193)
The University of Melbourne

Chemical Engineering: Changing Landscape and Emerging Paradigms

Dr. R.A. Mashelkar, FRS, FTSE
President, Global Research Alliance
Chairman/Chancellor of the Academy of Scientific and Innovative Research (CSIR Academy)
and
National Research Professor
National Chemical Laboratory
Pune–411 008, India

Dr R.A. Mashelkar, FRS, FTSE is the chairman/chancellor of the Academy of Scientific and Innovative Research and President of Global Research Alliance, a network of publicly funded R&D institutes from Asia-Pacific, Europe and USA. Dr Mashelkar has had an outstanding career having been Director General of Council of Scientific and Industrial Research (CSIR) and holding 23 honorary doctorates from Universities throughout the world. The President of India honoured Dr. Mashelkar with Padmashri (1991) and Padmabhushan (2000), which are two of the highest civilian honours in recognition of his contribution to nation building. His foundation paper on the concept of this public lecture with the late C.K. Prahalad was published in Harvard Business Review (HBR) in July–August 2010 and has been ranked number one amongst the top ten must read innovation papers by HBR. He has delivered very popular public lectures on this subject from Harvard to Hanoi, Beijing to Brussels, Cape town to Paris.
